Fund-A-Need — Science lab renovations

In past years, your generous support of Fund-a-Need has allowed Connely to purchase handbells, Vernier Science Lab Stations, SmartBoards and classroom Performance System Response Pads, and, most recently, to renovate the girls restroom.

Renovations and new equipment are needed to upgrade the physical science lab and strengthen the science programs.

Your donations can help us reach this goal. Please consider a donation of \$1,000, \$500, or \$200.
