

Class of 1987

I want to thank all of you for returning to Cornelia Connelly on Sunday for such a successful 20th reunion. Many of you traveled from great distances with the entire family in-tow. Your reunion is the largest gathering to date at Cornelia Connelly. This speaks volumes about the class of 1987. Time must be standing still, because everyone looked exactly the same. I enjoyed talking with you and learning about each of your life's adventures. You are accomplished women in all respects; family, career, community and faith. We are all part of the Holy Child legacy rich with tradition. I am proud to be your fellow alumna.

Music from the 80's played, setting a nostalgic mood! The activities provided for the kid's were a hit. Sophie Wankel demonstrated her expert moves with the Hula-hoop! Even the boys tried it out. The tattoo table was genius. Who needs a bounce house when a child is given the tools to create from their own imagination? When I arrived at work Monday, the sidewalk chalk designs were still there. Way to go moms!

Please send in your photos (digitally or print), to be included in the Cornelia Connelly publications both printed and on-line. I would like to create a "1987 Reunion" web page at the Cornelia Connelly "Alumnae" section (www.connellyhs.org) to commemorate and report on your reunion. Be sure to include photographs from your dinner party at "The Club House" as well.

I look forward to hearing from you soon! If I am not in receipt of your email address, please forward this message on.

***Very Sincerely,
Cheryl***
