

Why Underwrite??

Underwriting offsets the operational expenses of **The 26th Galaxy of Stars Benefit** such as food, beverages, facility rental, printing, postage, auctioneer, entertainment, etc. When you underwrite an expense, you directly support Connelly and its objective of providing a secure environment for girls to grow and learn.

Your generous donation will help us “make history” and reach new heights in fundraising for Connelly.

Underwriter recognition: Invitation to a hosted cocktail party, recognition in the evening program and recognition in the annual *Connelly Times* magazine.
