

COLLEGE CORNER

Fall is the time when the most mail comes into the College Center. Testing materials and applications are received, College Rep visits are scheduled, Colleges/Universities host presentations, and scholarship information is made available. There's lots to keep up with so read the following carefully!

Juniors/Seniors: There is a unique web site for California colleges/universities. It is www.CaliforniaColleges.edu. On this site, you can access the CSU system, the UC system, community colleges and most of the independent colleges/universities in California. A student can research those schools; start a portfolio and later input information into applications. Try it out! Also college/university tours can be arranged through **College Visits**. Go to www.college-visits.com to view their 2006 USA College Tour Schedule.

Sophomores/Juniors: There will be a **SAT** prep course at Connelly starting October 10. See enclosed flyer. Parents can get college information at College Info Night on October 19 at Connelly, 7 pm.
