

COLLEGE CORNER

Welcome back to Connelly! The College Center will be open for students every block. Internet access is available to you in the Center, which will facilitate research on colleges, scholarships and financial aid. Catalogs and other college information are there for you as well.

Seniors: ACT, SAT, UC and CSU information and applications will be here for you. You should see Mrs. Anderson soon to continue a discussion of your college plans. Don't forget the **mandatory** meeting for you and your parents on September 2. At that meeting you will receive your college application notebook. Applications should be completed in the following order: Early Decision, Early Action, UC and CSU, private colleges/universities. Make sure all testing (ACT, SAT I and II) is completed by December.

Juniors & Seniors: Information on college rep visits will be posted and announced as soon as scheduled. You are invited to attend any that interest you pending your teachers' approval and permission.

Sophomores & Juniors: Look for information from your advisor on the upcoming PSAT on Tuesday, October 21. A meeting will be scheduled for your parents in the fall.

Freshwomen: You will be taking a standardized test called the ERB CTP IV on Tuesday, October 21. Mrs. Anderson will be visiting your classes at the end of first quarter to talk about college planning.
