Graduation Announcements- Jostens does our announcements. Packets are mailed home. Jostens will also be on campus to take orders. The deadline is December 9. Do not delay. Late orders can be mailed individually to Jostens early in the spring, but they will only be semi-customized with *no* school crest. Please do not wait until weeks before graduation, you will be most disappointed. Find more information at www.jostens.com or at 1-800-JOSTENS (1-800 567-8367).

Community Service Hours- In your daughter's last report card, you received a record of hours served. She is responsible for completing her 9th-11th grade hours by this fall. That will save time for the Senior Service Learning Project which needs to be completed by Easter. Please contact Mrs. Townsend, the Campus Minister for further information at ctownsend@connellyhs.org.

Tri School Grad Night- Our first Grad Night is celebrated by the Tri School community at an outside venue, the date has not yet been designated, but may be the night before our graduation. This event is put together by a committee of Tri School parents who would *love* to have your help. They will be contacting your family directly by snail mail in the second semester. You will be directed to sign forms and make payment (approximately \$100) to that group directly if your daughter intends to go.

Connelly Disneyland Grad Night Our other Grad Night is at Disneyland! Disneyland has not released dates for the 2016 Grad Nite yet. We hope to get Tues., May 31 or Wed., June 1.
