About Koala Bowl

- It is a fun academic competition between schools from the Orange and Los Angeles County areas and is similar to an Academic Pentathlon.
- The topics covered are social studies, math, science, speech & debate, fun & games, and pop culture. The final session will be a pop culture Jeopardy game.
- For the core subjects, we use the California Content Standards and their current grade as a basis for the questions. The questions come from their previous years in middle school and the first quarter of their current year.
- Speech and Debate questions will be based on a topic that is grade level appropriate.

Attire: The teams are competing by school as well as by grade. We suggest that they wear a spirit wear shirt and jeans or their school uniform.

Number of Teams: A school may bring one or two teams but the team must consist of six **girls** (two each from 6th, 7th, and 8th grade)

Come with enthusiasm, curiosity, and lots of energy!
