

Latin III

Over the summer you will be focusing upon Latin vocabulary. I have provided two vocabulary lists to prepare you for the upcoming year. The first is a short, 2-page vocabulary list from Cicero, and the second is a longer, 5-page vocabulary list from Ovid.

Cicero List: You must know **all** the words on this list. You will also be making 3x5 flash cards of all the words on this list over the summer. The first day we are back in school you will take a vocabulary test on these words (some multiple choice, some fill-in the blank), and will need to show your finished flash cards.

Ovid List: You must know **all** the words that have been **indicated** and **marked** by the first day of class in the Fall. You must also make 3x5 flash cards of all the indicated words. You will be tested (some multiple choice, some fill-in the blank) on these vocabulary words the first day of class, and will need to show your finished flash cards as well.

Here is a summer schedule: You should have the following finished by the dates indicated.

June 30: Memorized Cicero Vocabulary I, and made flashcards.

July 31: Memorized Cicero Vocabulary II, and made flashcards.

August 24: Memorized Ovid Vocabulary (only indicated words), and made flashcards.

In addition to this, you will need to translate two short passage from Caesar, due on July 15th and August 24. You will email me your translation.

Cicero on the Value and Nature of Friendship, Wheelock page 325, due on **July 31**.

Cicero on War, Wheelock page 355, due **August 24**.
