Dear Friend,

I am pleased to announce that Cornelia Connelly School will have the **33rd Annual Galaxy of Stars Dinner & Auction** on March 5, 2016 at the SeaCliff Country Club in Huntington Beach, California. I invite you to participate by *donating an item for our auction*. As a vibrant part of the Orange County Community for over 50 years, Connelly has developed a network of over 4,000 alumnae, alumnae parents, students and families. I would like to partner with you to advertise your business through this event.

Cornelia Connelly School is an independent, college-preparatory high school for young women. Connelly strives to prepare young women to be leaders in the world based on an underlying philosophy of trust, reverence and respect. Cornelia Connelly School is a school where students “Lead with integrity, Serve with joy, and Inspire with faith and action.”

The Galaxy of Stars Dinner & Auction is our largest and most important fundraiser of the year. The funds raised by this event support critical needs that are not fully covered by tuition, including educational programs, school grounds improvements and scholarships for deserving students. During the past three years we have enhanced the educational program by adding CIF regulation softball and soccer fields, a new Visual Arts Center, new science labs and a beautiful Chapel. We are in the process of creating a new IDEAS center for collaborative studies with science, math, arts, and technology.

Please send your donation to:
