

Practically Painless Fund Raising Activities

2007-2008 School Year

We encourage everyone to participate in the following practically painless fund raising activities.

eScrip – Visit www.escrip.com and register any one or all of your existing grocery loyalty, debit and credit cards for use in the program. When you shop or dine at participating merchants such as Macy's, Vons, Pavilions, Office Depot, Barnes & Noble, and Lands End, the school earns 1 to 4% or more of your purchase. Visit www.escrip.com to learn more and to see a list the complete list of participating merchants. Our eScrip ID# is 6491552.

Albertsons and Ralphs – Please complete the form at the bottom of this page to register your Albertson's Preferred Savings Card and Ralph's Club Card to raise funds for the school each time you shop. We do the registration for you! Alternately, you can register yourself at:

<http://www.albertsons.com/cp> - enter ID# 49000117344

<http://www.ralphs.com/ccprogram.htm> - enter NPO# 81808

Registration is required each school year, so if you registered last year please complete the form again!

Target Stores – Use your Target Guest Card to have 1% of your purchases donated to the school. Apply for a Target Guest Card by picking up an application at any Target store or from the Connelly Development office. With your card in hand, call 1-800-316-6142 and sign up to have Connelly receive the donation. Our Target Store ID# is 3152.

Empty Ink Jet and Toner Cartridges at home or the office? *Bring your empty ink jet and toner cartridges to the school office for recycling and help Connelly earn \$3 or more for each one. Please check on the Connelly website for a list of ink and toner cartridges accepted. Ink jet cartridges should be in a plastic, zipper style bag to prevent spills. Toner cartridges must be in the original manufacturer's box. If you have very large toner cartridges (box bigger than 8"x8"x16") or more than five toner cartridges, please do not bring them to the school! Instead, list the manufacture(s), model number(s) and quantity, and drop the list off at the office. Within 10 days we will arrange for pickup at your home or office.*

Old Cell Phones? Bring your old cell phones to the school office for recycling and help Connelly earn \$10 to \$25, or more, for each one, depending upon the model.
