

COLLEGE CORNER

by Mary Pat Anderson

Welcome back to Connelly! The College Center will be open for students every block. Internet access is available to you in the Center, which will facilitate research on colleges, scholarships and financial aid. Catalogs and other college information are there for you as well.

Seniors: ACT, SAT, UC and CSU information and applications will be here for you. You should see Mrs. Anderson soon to continue a discussion of your college plans. Don't forget the **mandatory** meeting for you **and** your parents on September 3. At that meeting you will receive your college application notebook. Applications should be completed in the following order: Early Decision, Early Action, UC and CSU, private colleges/universities. **Make sure all testing (ACT, SAT Critical Reasoning and Subject Tests) is completed by December.**

Juniors & Seniors: Information on college rep visits will be posted and announced as soon as scheduled. You are invited to attend those that interest you up to a limit of 6 and pending your teachers' approval and permission. Mrs. Anderson will again have you sign in.

Juniors: Look for information from your advisor on the upcoming PSAT scheduled for Wednesday, October 15. A meeting is scheduled for your parents on the evening of September 30.

Sophomores: Look for information from your advisor on the upcoming PLAN (pre-ACT) scheduled for Wednesday, October 15. A meeting is scheduled for your parents on the evening of September 30.

Freshwomen: You will be taking a standardized test called the NEDT (National Educational Developmental Test) on Wednesday, October 15. Mrs. Anderson will be visiting your classes at the end of first quarter to talk about college planning and to give you a book listing what you need to do each year.
