

Cornelia Connelly High School **Vocal Ensemble**

Cornelia Connelly High School's Advanced Women's Ensemble is an auditioned group open to all grade levels. It is an nationally recognized and award-winning ensemble that competes and performs at various festivals throughout the year. The Ensemble has sung in the major cathedrals of Italy including the St. Peter's in Rome and the Vatican, and at St. Patrick's Cathedral, St. John the Divine and the Riverside Church in New York City. Although experience is preferred, it is not necessary. It is open to anyone with a good voice and the willingness to work hard and be dedicated. The Music Department strives to foster an environment where its members grow as musicians, students, and young women. As a member of the Ensemble, you will learn many aspects of the art of music including sight-reading, vocal production, and performance skills. This ensemble provides the opportunity to work as a team, but also to excel as an individual.

The confidence and friendships created while participating in Connelly's Advanced Women's Ensemble will last a lifetime.
